U CREATE

The image displays the U CREATE Cabinetry Planner software interface. The main window shows a 3D rendering of a kitchen layout with blue and white cabinets, a black countertop, and a white oven. The interface includes a sidebar with categories like 'Structures', 'Appliances', and 'Cabinets', and a central catalog of cabinet models with their prices. A 'Design' tab is active. A smaller window on the left shows a mobile device displaying the same software interface.

## Features and Benefits

- 3D rendering as you place cabinets
- Estimated pricing as you design your layout

## CABINETRY

*Cabinets that give you more.  
More style. More storage. More function.*

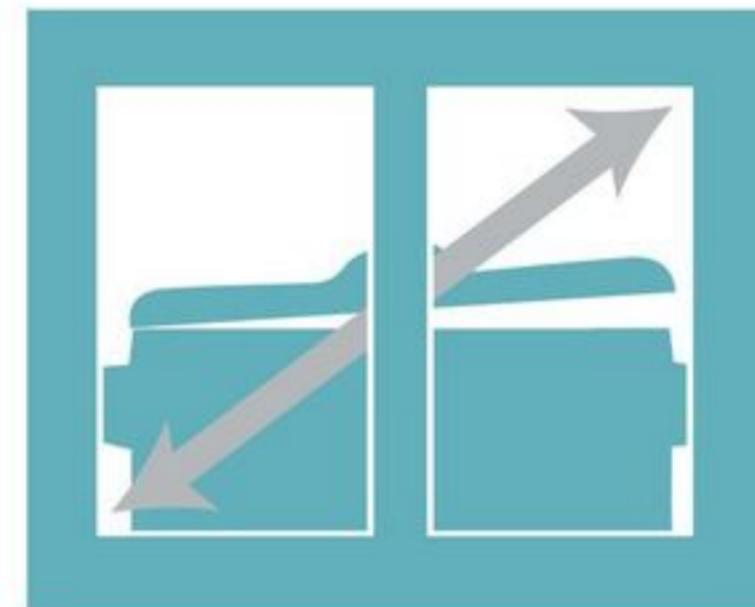

Klëarvüe Cabinetry<sup>®</sup> was created around full access cabinet construction. Klëarvüe<sup>®</sup>, pronounced Clear View, means just that! Full access cabinet construction eliminates the bulky face frame one would typically see around an old fashioned cabinet box. By eliminating this frame, it allows you to store more in your cabinets such as larger dishes, platters and more groceries! Everytime you open your cabinets, you will be presented with a **clear view** of everything inside!

### Full Access

### Old-Fashioned

### Quality with a Warranty

Klëarvüe Cabinetry<sup>®</sup> features a hassle free limited lifetime warranty program. If during normal use, a component of your cabinet breaks or fails due to a defect in material or workmanship, simply bring back that item to your nearest **MENARDS<sup>®</sup>** retail store to have any defective part replaced with the same or similar Klëarvüe Cabinetry<sup>®</sup> product when returned by the original purchaser.

Visit [www.klearvuecabinetry.com](http://www.klearvuecabinetry.com) for full warranty details.

### Visit Our Website

## Cabinetry Around Your Lifestyle

Klēarvūe Cabinetry® offers over 40 different cabinet box sizes that are available in multiple heights and widths. When combined with door and drawer fronts, you can create over 250 different cabinet configurations. Think of Klēarvūe® as adult building blocks, meaning pieces are combined together to create one cabinet configuration. Klēarvūe® offers 13 cabinet front finishes that are sure to fit any design that you are working on. Guess what? If down the road you wish you would have added more drawers for your kitchen, no worries! With Klēarvūe's component based system, you can change a door configuration to a drawer configuration with just a Phillips head screwdriver!

## Cabinet Accessories

See page 49 for more details.

### Drawer Organizers

Kléarvüe Cabinetry® has its own line of drawer organizers that have been made to fit inside each full depth drawer box.

### Drawer Dividers

Drawer dividers are the perfect use for organizing your deep storage drawers.

### Drawer Mat

Our cut-to-fit anti-slip drawer mat works with all Kléarvüe® drawer sizes.

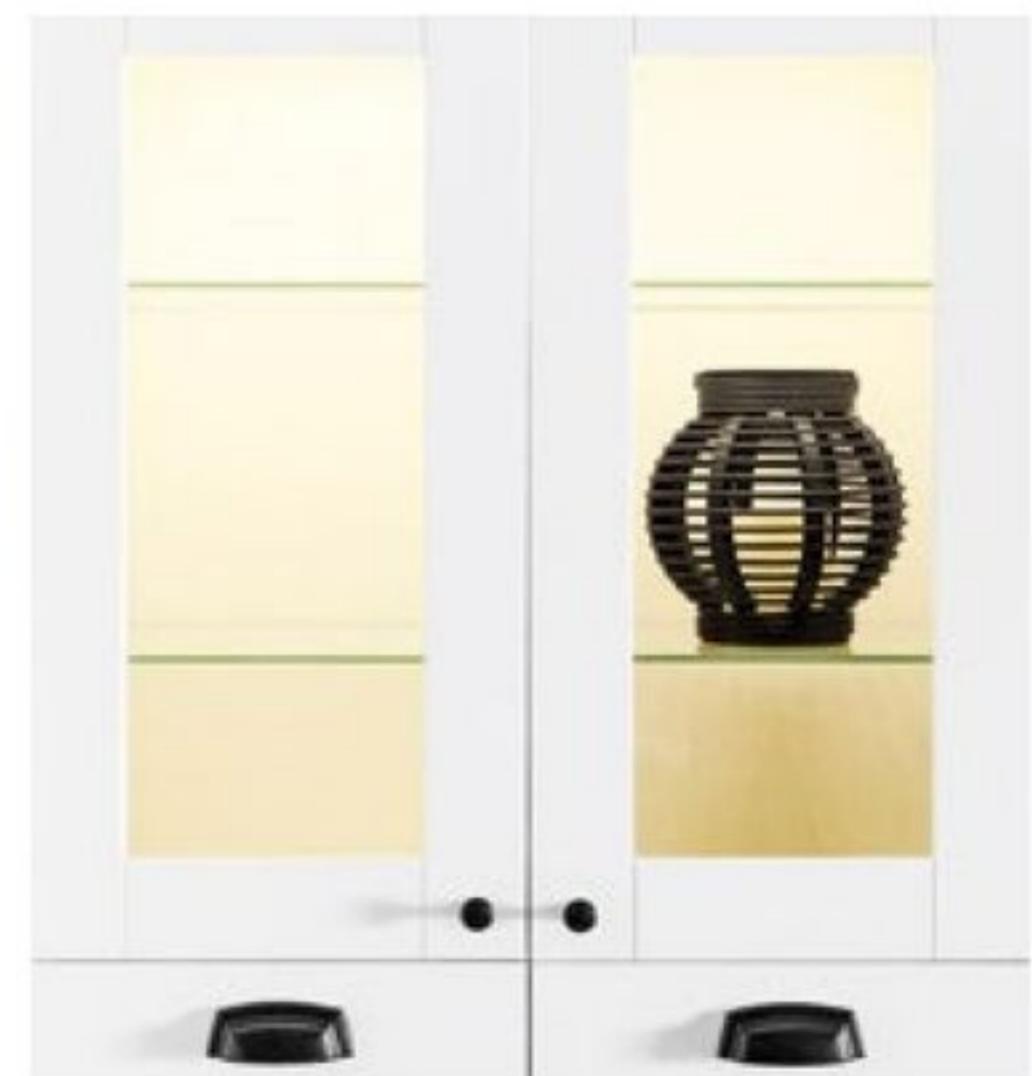

### Spill Guard Mat

Keep your cabinet safe from water and cleaning products. Fits in 36" wide base cabinet- cut to fit other sizes.

### Color Edge Banding

Complete the look of your kitchen- perfect for darker cabinet fronts.

### Cabinet Lighting

LED lights turn on and off when you open and close your cabinet drawers.

## The Klärvüe Cabinetry® Installation Process

Old-fashioned cabinetry requires you to remove doors and drawers in order to install properly. With Klärvüe®, you install your cabinet boxes first, then add your doors and drawers. See separate installation guides for important instructions to follow.

### 1) Install Boxes

Factory-assembled wall and base cabinet boxes are easy to install! Simply remove from the box and secure to wall studs with cabinet screws.

## 2) Install Hardware

Start to build your configurations by adding drawer slides and hinge brackets into your cabinet boxes. Install with a Phillips head screw driver into the pre-drilled holes.

## 3) Install Fronts

Bring life to your cabinet boxes by adding finished fronts to your drawer kits and hinges.

## 4) Install Finishing Touches

Complete the look of your cabinet by adding cover panels, moulding and toe kick.

\*Countertops and hardware not included.
